

2023 Boys Basketball Report

On Tuesday 4th April the Western Suburbs/Inner West and Wiley Park Boys Basketball team competed at the Sydney East Trials. The best players in the region would all be attending,

Our first game was against Botany Bay/Georges River. It was an exciting opening game, the boys were playing well together and using the plays we had practised in training. The last few minutes of the game were tough, but we came out on top with the final score being 27 - 24.

Our second game was against Sutherland/Engadine. It was an extremely close game. Our defense was strong and we didn't allow many opportunities for the other team to score. Unfortunately the last few minutes cost us and we lost with a final score of 20 - 17.

Cronulla was our third game. This was an exciting game. We were extremely strong from the beginning of the match, collecting a lot of rebounds and communicating well as a team. It was a successful win with a score of 47 - 36.

Our final match of the day was against Cronulla again. This was our best game of the day. The boys worked so well together, collecting multiple rebounds, had great intercepts, our man on man defense was incredible and putting so much pressure on the other team. We won 41 - 33.

We finished the carnival fifth overall which is an amazing effort.

Jeremy (Summer Hill) and Lucas (Strathfield North) performed strongly and impressed the convenors. They were successfully selected to make the final team for Sydney East.

All boys were perfectly behaved and a credit to their schools.

Miss Simpson and Mr Wilson
Coaches
